

# Light Sport Aircraft and You - What You Need To Know.

Do you fly Light Sport Aircraft. Are you thinking of building and/or flying Light Sport Aircraft ? Do you share the sky with Light Sport Aircraft? Well, if you are in any of these categories and just about everybody is, you need to have your questions answered and your concerns addressed.

**Directions:** The seminar is located in the Garrett County Airport Conference Room

## A message from the National FAASTeam Manager

Over 10,150 AMTs earned an AMT Award last year. Will you, this year?

Sign up for the FAA's safety services at [www.FAASafety.gov](http://www.FAASafety.gov)!
